

# 2026 Winter Holiday Schedule

The winter holidays (חגי החורף) remember special times when God acted on behalf of His people so that they would triumph over their enemies, and therefore they prophetically picture the final victory in olam ha'bah, or "the world to come."

In the table below, I list key dates of the winter season, as well as the first days of the Spring season during Rosh Chodesh Nisan. For more information about these holidays, please visit the Hebrew for Christians website "Holidays" section.
