Proverbs 11:27

The Shocher Tov

“Whoever earnestly seeks for good seeks favor, but evil comes to the one who searches for it.” – Proverbs 11:27

One who seeks good is called shocher tov, “a seeker of good.” A shocher tov uses the “good eye” (ayin ha’tovah) to see worth and potential in others.

“Whoever earnestly seeks the good desires blessing, but evil comes to the one who searches for it.”

- Prov. 11:27
